

On the weekend of June 11 and 12, 2022, the Consular Holidays took place in Lyon (France). With 66 consulates, The objective for visitors was to discover the countries of the world.

Our Association "Les Enfants de l'Arc-en-Ciel" had the privilege of being part of this event, thanks to Mrs. the Consul, Béryl Maillard who welcomed us under the official marquee of the Dominican Republic.

We thank Mrs. the Consul for her hospitality and her kindness which allowed us to make known on a larger scale our action for the underprivileged children of Cabrera. We hope that we have been able to hold the attention of several people.
